**CLIENT NEWS – For Immediate Release  
October 2009**

## **DIVERSIFIED INFORMATION TECHNOLOGIES ACQUIRES ACTIVE DATA SERVICES, INC.**

**Wilmington, DE**—Gates and Company is pleased to announce that its client, Diversified Information Technologies of Scranton, Pennsylvania acquired Active Data Services, Inc. of Raleigh-Durham, North Carolina, in a transaction that closed on October 8, 2009.

Diversified Information Technologies' solutions manage the complete document and information lifecycle and include integrated records management for both physical and electronic records storage; electronic mailroom processing services; document imaging; and workflow automation and information management consulting services. The company serves *Fortune* 1000 in the financial, insurance, healthcare, government, and other industries.

Active Data Services provides document imaging, integrated print and electronic billing, and customer communications solutions in the healthcare, insurance, financial, and other industries.

Gates and Company served as an advisor to Diversified Information Technologies in this transaction. Terms of the transaction were not disclosed.

### **FORWARD-LOOKING STATEMENTS**

This press release includes statements that are not historical in nature and that may be characterized as "forward-looking statements," including those related to future financial and operating results, benefits and synergies of the company's brands and strategies, future opportunities, and the growth of the market. Actual results could differ materially from those contained in the forward-looking statements, which are based on current expectations of management and are subject to a number of risks and uncertainties, including, but not limited to: the company's ability to integrate acquired operations and employees; success in executing strategies; ability to take a competitive position in the industry; business conditions and the general economy; market opportunities; potential new business strategies; competitive factors; sales and marketing execution; shifts in technologies or market demand; and other factors. Diversified Information Technologies and Active Data Services, Inc. disclaim any intention or obligation to update any forward-looking statements as a result of developments occurring after the date of this press release.

**About Diversified Information Technologies**
