GATES AND COMPANY OPENS NEW HEADQUARTERS IN WILMINGTON, DELAWARE

Wilmington, Delaware – Today, Gates and Company is pleased to announce the opening of its new headquarters location: Two Greenville Crossing, 4001 Kennett Pike, Suite 308 in Wilmington.

This new location will allow Gates and Company to better serve its clients in the greater Philadelphia region. The office is conveniently located on Route 52/Kennett Pike, easily accessible from I-95 and from Route 202.

“We are pleased to expand our headquarters location in the Wilmington area,” commented David Gates, President of Gates and Company. “We have served clients in Delaware, Maryland, New Jersey, and Pennsylvania and are pleased to show our commitment to them, and future clients, by expanding our headquarters. Our firm is growing and our expansion into a new, larger headquarters location is an exciting and very positive step.”

ABOUT GATES AND COMPANY

With offices in Delaware, New Jersey, and Northern Virginia, Gates and Company is a Mid-Atlantic-based management consulting and investment-banking firm dedicated to helping companies strategically build their businesses and improve earnings performance. Gates and Company is unique in the significant operating experience of its team and the value derived from the combination of management consulting and investment banking services.

Gates and Company specializes in investment banking, corporate venturing, growth strategy formulation, market research/analysis, business plan development, sales/marketing process improvement, product/venture launch, technology transfer, and mergers and acquisitions. Our track record is impressive, having helped numerous companies reach their goals, including: Antares Pharma, CorCell, DuPont, DuPont Teijin Films, The Franklin Institute, Holland Coffee, Maxwell Systems, mCom, MedRisk, National Biometric Security Project, Primepoint, Rohm and Haas, Software Consulting Group, Visionet Systems, W.L. Gore, and WaveFront Research. For more information, visit www.gatesandcompany.com.
